## **ADVISORY TO THE PARENTS REGARDING INCREASING CASES OF KIDNAPPING**

This is to inform you that kidnapping cases are on the rise. Kindly be vigilant about the safety of your children when they go out to play or leave home for any other outdoor chores.

### **Here are a few tips on how to prevent kidnapping:-**

- ✓ Tell your children not to accept rides or eatables offered by strangers.
- ✓ Train your children to never talk to strangers.
- ✓ Secure your homes.
- ✓ Find alternative routes if your routine route is not crowded.
- ✓ WHILE DEALING WITH SCHOOL, ALWAYS CARRY AND SHOW YOUR ID CARD EVEN IF EVERYONE IS AWARE OF YOUR IDENTITY. ALSO DO NOT COVER YOUR FACE, WHILE RECEIVING YOUR CHILD.
- ✓ FOR STUDENTS PLYING BY BUS, PARENTS SHOULD REACH PICK/DROP POINT FIVE MINUTES AHEAD OF THE GIVEN TIME. DO NOT LEAVE THE CHILDREN UNACCOMPANIED.
- ✓ Make others also aware of the increasing kidnapping cases.

Thanks
